Re: Freedom of Information Act

Dear Gregg:

Thank you very much for the disk containing the leases for January 1986. We would now like to request a similar disk covering January 1987.

Grynberg Petroleum Company will cover all the necessary costs and expenses of the MMS putting on a 3 1/2" IBM compatible Excel disk a list by lease (federal and Native American) of pipeline companies as purchasers of natural gas from those leases in January of 1987.

The above request is based on the Freedom of Information Act and once a bill is received by this office for both MMS personnel time and copying and computer expenses, we will be happy to pay it.

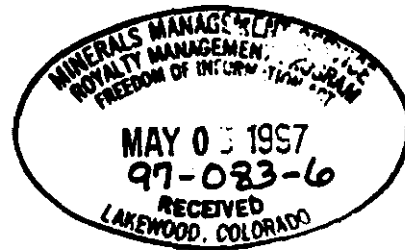

Please let me know when this disk is ready and we will send someone to pick it up.

Sincerely yours,

GRYNBERG PETROLEUM COMPANY

Dear Greg:

Pursuant to my telephone conversation today with Ms. Laurita Summerton and pursuant to the facts I sent to Ken Vogel concerning approximately 40 leases in Louisiana, I would like to ascertain who are the latest payors of royalty to the MMS and their respective addresses. If I can obtain a history of previous payors on each lease, that would be helpful, but I am anxious to get the latest ones so that the pipeline in question, Louisiana Intrastate Gas Company, can ascertain that they in fact are purchasing or shipping gas from these leases.

Please bill me for the subject work, and kindly fax the results to the above fax number when they are ready. Or if you can fax half of the results when they are ready, I would be very grateful.

Sincerely yours,
